WELCOME

Welcome to the BWG Foodservice Christmas Brochure for 2025.

We're privileged to serve your needs this festive season with a carefully selected range of food and drink solutions. This year's brochure is packed with festive favourites like turkey butterfly and whole hams, alongside exciting new additions such as G's Gourmet Cranberry Sauce bursting with flavour and our comforting Apple & Vanilla Strudel.

We're proud to present seasonal menu concepts for every daypart, crafted to save time in the kitchen while boosting your gross profit. Inspired by upcoming Christmas trends, our range includes elevated classics, nostalgic flavours, playful cocktails, and the ultimate festive sandwich — perfect for creating memorable menu moments.

We remain committed to sourcing quality Irish products from trusted suppliers. To make your experience even better, we've included QR codes throughout the brochure so you can explore our full Christmas offering in more detail.

Thank you all for your continued custom and we look forward to working with you during the festive season and into 2026.

Wishing you a very happy Christmas and prosperous new year.

Ricky O'Brien, BWG Foodservice Director and all the team at BWG Foodservice

Set up a Christmassy welcome point! Guests arriving will notice and it's the perfect chance to promote any events or menus you have planned.

Promote gift cards with a bit extra! Offer a bonus or discount when a customer spends a specific amount. This can make a fantastic stocking filler.

Plan some themed nights! Turn a quiet mid-week evening into a Christmas movie night or a festive jumper party.

Share booking updates weekly! Consider gentle reminders to your target audience such as "Only five Fridays left" or "Christmas Eve is nearly full" to encourage bookings.

Make sure your entire team knows how to complete a booking. Don't leave it to just one person during the busy time.

Use smaller tables to stay flexible! Two person tables are easy to move around and join together to accommodate small and large groups.

Get ready for tomorrow, not just the close! Don't just clean up—prep sauces, stock the pass, set cutlery. A few minutes of prep makes a big difference.
