# PREMIUM WHISKEY

**Midleton**  
Barry Crockett  
700ml  
684922

As a tribute to the man who is inextricably linked to the Midleton distillery and who has been instrumental in shaping the renowned Midleton style, Midleton Very Rare Barry Crockett Legacy displays a distinctive pot still complexity yet is refined and poised on the finish. A truly rare whiskey.

**Redbreast**  
12 Year Old  
700ml  
674113

One of the most decorated Irish whiskeys, Redbreast is the largest selling Single Pot Still Irish Whiskey in the world. Regarded as the definitive expression of traditional Single Pot Still whiskey, the genesis of Redbreast dates back to 1903.

**Bushmills**  
21 Year Old Single Malt  
700ml  
683001

The 21-year-old Bushmills is the oldest whiskey in the standard distillery range. It is a remarkably fresh and lively tasting malt, given its advanced years. Like the rest of the single malts from Bushmills, this is initially aged in both bourbon and sherry casks. These are then vatted together and married into madeira wine casks for two years. We would go as far to say that this is, thankfully, quite a subtle wood finish.

**Bushmills**  
16 Year Old Malt  
700ml  
645924

The 16 year old Bushmills builds on the soft, smoothness of the 10 year old and adds some very nice fruity characters. The whiskey is initially aged separately for 15 years in both bourbon and sherry casks then these are married together into port wood for around a year of extra finishing. The port wood adds some delicious flavours of red fruits, some sweetness and hints of candy and chocolate.

**Knappogue**  
16 Year Old  
700ml  
706734

The 16 year old Knappogue Castle is a fantastic single malt that has been made using unpeated barley and was triple distilled at Bushmills distillery. A first period of maturation was done in ex-Bourbon barrels before and final marrying and finishing period in Oloroso Sherry casks. A limited release, this new bottling has more sherry cask influence and is bottled at 43%.

**Knappogue**  
21 Year Old  
700ml  
706725

Knappogue 21 is a limited-edition single malt Irish whiskey, with only 1,200 bottles produced. First put into casks in 1994 and 1996, this marriage of two single malts - aged 21 and 23 years - is made exclusively from malted barley. Distilled in copper pot stills and matured in B1 bourbon casks.

**Yellow Spot**  
12 Year Old Whiskey  
700ml  
670989

The pot still content in Yellow Spot is medium weight, similar to Green Spot but aged for at least 12 years. Interestingly it is drawn from three types of casks. Ex-bourbon and sherry casks are supplemented by some Malaga casks that previously held Pedro Ximenez wine. These PX casks add a good bit of weight, body and flavour, giving an extra dimension to the whiskey.

**West Cork**  
Black Cask  
700ml  
681387

A fine blend of grain (66%) and malt (34%) whiskey aged in first fill bourbon casks for three years, and polish matured for a further year in heavily charred bourbon casks. The result is a beautifully balanced whiskey with a vanilla and lingering sweetness.

**Method and Madness**  
Single Malt  
700ml  
682099

This Single Malt Irish Whiskey enhanced with French Limousin Oak, has been initially matured in ex-Bourbon barrels, imparting flavours of "malt and biscuit", and in a first for the category, has been part-finished in French Limousin oak for one year to add a "lighter, floral and herbal note". Method and Madness reinforces Irish Distillers' "continued commitment" to experimentation and innovation at the Midleton Distillery.
